PARKING METERS FOR LINCOLN MEMORIAL DRIVE STILL IN 2010 BUDGET

Attempt to remove meters denied by County Board's Finance & Audit Committee

Milwaukee, WI – Monday afternoon, the County Board's Finance & Audit Committee denied an amendment proposed by Supervisor Gerry Broderick to remove parking meters for Lincoln Memorial Drive from the 2010 County Budget.

This morning, the *Milwaukee Journal Sentinel* inaccurately reported that the proposed parking meters were defeated. In fact, the Committee voted 4-3 to **deny** an amendment that would have removed the parking meters from the budget.

"The installation of parking meters would severely restrict public access to this beautiful natural resource," said Supervisor Broderick, Chairman of the Parks, Energy & Environment Committee. "I encourage all County residents to contact their County Supervisor and the County Executive. Tell them to oppose the installation of parking meters on Lincoln Memorial Drive and Veterans Park."
